

Do You Want to Become a Physician Assistant?

CAMARENA
HEALTH

Heart of Healthcare

Are you a Madera or Central Valley resident who aspires to be a Physician Assistant?
Do you want to learn how to prepare for and get into a Physician Assistant Program?

Camarena Health, in partnership with A.T. Still University, is looking for passionate individuals who want to work locally in primary care. If you're interested in a career in healthcare, attend this informational event hosted by Camarena Health, Saint Agnes Medical Center, and A.T. Still University.

Hometown Scholars Program

Camarena Health's Hometown Scholar endorsements tell A.T. Still University that applicants are compassionate, community-minded individuals that Camarena Health would potentially hire.

Through our program, local individuals develop health center relationships, participate in learning experiences, and gain a Camarena Health endorsement to submit with their ATSU application.
