

CHARTING A HEALTHY FUTURE

NEWBORN WELL CHILD VISIT OVERVIEW

Camarena Kids Pediatricians know the first few days and weeks with your baby are both exciting and can be very overwhelming. You'll have questions, just like all parents do. No problem — our care team is here to support you. Before you know it, you'll be bonding with your little one and doing what comes naturally to you.

Here are some things to expect during your first few visits with your newborn:

- ✓ Developmental, behavioral, and physical health assessments.
- ✓ Growth tracking and preventive immunizations.
- ✓ Anticipatory guidance for holistic child wellness.

Ensure your child's health is on track.
