

A New Kind of Care, Made Just for You

At Camarena Health, we understand that your healthcare needs change over time—but your desire for independence, comfort, and trusted providers doesn't. Our Senior Health Center is designed specifically for adults 65 and older, with services and support tailored to your stage of life.

Start Your Next Chapter with Us

Getting started is easy—whether you're a current Camarena Health patient or new to our services. Call today to schedule an appointment or learn more.

Camarena Health's Senior Health Center is now open in Madera.

Why It Matters

Why Choose the Senior Health Center?

You deserve a space where your care feels focused, familiar, and designed just for you. Our Senior Health Center offers:

- Shorter wait times
- More personalized attention
- A calm, senior-friendly environment
- Continued access to the care team you already know

What We Offer

- ♥ Primary care for seniors
- ♥ Chronic condition management
- ♥ Preventive screenings
- ♥ Nutrition & health education
- ♥ Wellness programs
- ♥ Specialty Services
- ♥ Behavioral Health
- ♥ Pharmacy Access

It's care that fits your life—delivered with respect and compassion.

A Team You Can Trust

Our experienced care team is here to support your wellness goals. Whether you're managing a condition or looking to stay active, we'll meet you where you are—with care that's always in tune with your needs.
